Your pet will get the best possible care while you are away, I agree to provide a stress free, clean environment for your pet.

Owner agrees to provide food for the duration of the pets stay and any replacement equipment, substrates, bedding, bulbs, vet bills etc... will be settled on collection with the production of receipts.

We both agree that pets are unpredictable and we will not sue or hold each other liable in the case of a rare injury or damage to the carer, carers property or pet resulting from the stay.
